

What I believe (subject to change as I continue to learn):

1. I believe Yahushua was created by YHWH, pre-existing before the material world.
2. I believe Yahushua was incarnate in a regular flesh and blood human.
3. I believe He is the fulfillment of Deuteronomy 18:18-20.
4. I believe He came to correctly interpret the written Torah, not abolish it as it unequivocally states in Matthew 5:17-20.
5. I believe that Paul and all the disciples continued to practice Torah as evidenced here in small part: <http://www.jesusnotchristian.com/Torah-Observant-Gentiles.pdf>
6. I believe as Paul prophesied in Acts 20:26-35, that the original "faith" has been polluted with false doctrine whereby people have "turned the grace of YHWH into lasciviousness" (literally means without law/Torah).
7. I believe satan (not being bound with mortality) has systematically infiltrated the "church". I believe he is a highly intelligent being that has incrementally hi-jacked the original "faith" and perverted it into the mess it is today. As the scriptures say satan deceives the whole world.
8. I believe that we are in the "last days" and that YHWH is calling His people "out of Babylon" which are the mystery religions of sun-worship, involving a trinity and pagan rituals.
9. I believe "christianity" today is best described as Laodecian. Christianity is sure that they have the whole truth, so self-assured that they have no clue that "thou art wretched, and miserable, and poor, and blind, and naked".
10. I believe that a great number of people have not put as much thought into there theology as into purchasing a new automobile. If Adam violated YHWH's will **ONCE** as was cast out of the Garden, why would Sabbath-breaking, pork-eating, trinitarians be welcome in heaven to "have a relationship" when you violate His written will repeatedly?
11. I believe that most pastors while sincere just "parrot" what they have been taught in seminary and that is why I have not come across one that can defend their theology in the context of all scripture. They learn institutionalized false doctrine and regurgitate it back the sheep. The blind lead the blind and they both fall in the ditch, Yahushua's attitude was "let them alone" (Matthew 15:14).
12. I believe "churches" have prostituted themselves for non-profit status. If a pastor knew conclusively that George Bush was a bi-sexual, satanist who willing let 911 happen, who is purposely bankrupting this country and illegally won the election, he could not open his mouth because of his tax-exempt status. That makes them state prostitutes in my view.
13. I believe the notion of "as long as you know in your heart you have a relationship" is strong delusion. There is no scriptural basis for that at all, but it is repeated incessantly by christians who cannot explain their theology in context of all scripture. Guess who said this to a disobedient people? "Wherefore I gave them also statutes that were not good and judgments whereby they should not live" Ezekiel 20:25. I guarantee you will not hear a sermon from pastor parrot on that.
14. I believe that Yahushua is our sacrificial lamb, in that, when we confess our sins, He forgives them completely, but He by no means gives us license to break Torah.

15. I believe the doctrine that the "law"/Torah has been fulfilled and no longer applies is the "Great Apostasy" Paul talked about.
16. I believe Yahushua also functions as our High Priest, Judge, Redeemer
17. I believe christians have honored the "love thy neighbor" command but have completely ignored the "love YHWH with all thy heart and all thy soul". They completely disregard all the festival days that He appointed and follow their own made-up ones.
18. I believe people need to realize that all the peculiar things that Hebrews do emanate from the Father, they did not make them up, I am **not** speaking about moderns Jews, they definitely made some of their stuff up.
19. I believe we are to be "grafted" in to the existing olive tree that YHWH established as the scriptures reflect in Romans 11 and Ezekiel 37.
20. I believe there a number of parables/prophecies regarding christianity that the "church" routinely ignores. Matthew 13:32 "...but when it is grown, it is the greatest among herbs, and becometh a tree, so that the **birds of the air** come and lodge in the branches thereof." "Birds" are symbolic of demons, which means that leadership is being influenced by spirits.
21. I believe that this entire nation is deceived. We have an unquestioned satanic symbol on the \$1 bill and right next to it is says "in god we trust". Should we be trusting in an unnamed deity? Where is the church on this issue?...asleep
22. I believe we are controlled by statements like "You will never understand the book of Revelation", "don't discuss religion or politics".
23. I believe people do not understand Revelation because they do not know the Tanak (old testament). Revelation is a report card to the assemblies and then final marching orders. Pastors also do not talk about it because sheep like their ears tickled.
24. I believe that more than the "tithe" survived the "old testament"
25. I believe the Moon not only determines the new month but also determines the weekly Sabbath (8th, 15th, 22nd and 29th)
26. I believe that belief and obedience are two sides of the same coin and that it is clear what we are to be obedient to because it is what will be done in the millennium.
